

Helping make the holidays happier

January 1, 2013

This year's LANL food drive collected enough donations to provide 11,600 meals for those in need. The contributions by Lab employees and contractors included 164 turkeys that added up to a total of 8,700 pounds of food.

The Laboratory employees' and contractors' food donations were distributed through The Food Depot and employees and contractors were also encouraged to give through Smith's Food and Drug and its "Bringing Hope to the Table" campaign.

With the help of Del Norte Credit Union and The Food Depot, partnerships are being put in place to help feed the hungry all year.

For more information on The Food Depot, go to <http://www.thefooddepot.org/>. For more information on Del Norte Credit Union, go to <https://www.dncu.org/>.

For more information on the Lab's food drives, contact Ed Vigil with the Lab's Community Programs Office at (505) 665-4400 or edvigil@lanl.gov.
